

2018 MEBCI TREBLE CHORUS FESTIVAL
Saturday, April 28, 2018
Memorial Middle School
12-00 1st Street, Fair Lawn, NJ 07410
9:00 am - 4:00 pm
(Directors' meeting begins at 8:30 AM)

MEBCI would like to invite you to become part of our Treble Chorus Festival

The MEBCI Treble Chorus Festival is a wonderful opportunity for your singers to perform with other talented students from around the county. It is a low pressure and a low commitment opportunity. There are no auditions and the event only requires one day for rehearsal and performance. You have the opportunity to recommend six students for this festival (three treble I and three treble II). This event will be directed by Mr. John of the Cresskill School District.

On the day of the performance your students must arrive at Memorial Middle School by 8:50 AM, and will rehearse in the morning. Students will eat lunch around 11:30 am before rehearsing again and presenting their concert at 3:00 PM (parents or guardians must be present at the concert to bring their children home immediately afterwards). All participants will receive a T-shirt to be worn at the concert. Students must bring a bagged lunch to the school.

Students must be recommended by their music teacher. Only children in grades five and six are eligible. We will only accept 214 students on a first come first serve basis, so be quick to respond. All students must be members in good standing of their own school chorus. **There is a nominal participation fee of \$30.00 per student. Please send only one school or director's check payable to "MEBCI" - parent checks will not be accepted.** The participation fee will cover the music, T-shirt, and administrative/production costs. Once your list is received by MEBCI, you will receive an acceptance letter and music to be distributed to the student(s). This acceptance letter will tell the students what to expect that day and include directions to the site.

Directors are required to attend this day-long event, helping with possible sectionals, taking attendance and chaperoning students. You will be responsible for working with your student(s), so that they know their music on the day of the event. **It is expected that students have their music be memorized before the festival.** **Students must be present for the entire day with no exceptions.** **This event will be a wonderful addition to your documentation log for your yearly evaluation.**

Please submit no more than six names (three treble I and three treble II) per school. Complete the enclosed form, one check payable to MEBCI and return it postmarked by no later than **Monday, February 8, 2018** to:
