Please be aware of our attendance policy for students who successfully audition for the ensembles. **No absences of any kind will be allowed for any reason. Any absence will result in immediate removal from the ensemble.** Please be sure to check your schedule before applying to avoid uncomfortable and unnecessary situations.

As usual, the Band and Chorus Auditions will be held separately. Chorus Auditions will take place on Thursday, October 24, 2019 at Paramus High School. Band Auditions will be on Tuesday, December 3, 2019 also at Paramus High School. Please check the Director and Student Audition information for submission deadlines.

Directors must complete and submit the online Director Application Form, and then print it out for signature. Students must complete and submit the online Student Application Form, and then print it out. The application endorsements must then be signed appropriately. Both the Director Application and the Student Applications accompanied by the appropriate audition fees should then be submitted to the Audition Chair by **Certified Mail** in one package. **Students should not submit applications online more than one time (for each audition).** Please have all pertinent information – voice part, instrument, director info, etc. – and a working printer connected to your computer before submitting application.

Reminder - We have added to our schedule a "SNOW MAKE-UP" date for the Sunday, January 12, 2020 concert on Monday evening, January 13, 2020. Please put this date on your schedule.

All audition applications must be sent by **CERTIFIED MAIL, RETURN RECEIPT REQUESTED.** Your receipt will be verification that applications have been received. Certified mail guarantees that the audition coordinator received applications. **By adhering to the above procedures, you, the audition chairs and the coordinator will avoid being placed in difficult situations.**

Students in your Music Department who wish to participate in both ensembles may do so. Students auditioning for both must be aware of the responsibilities and schedules of both ensembles. If a student chooses to audition for both ensembles and is selected for both, the student must participate fully in both ensembles. Failure to participate fully will result in the student being dropped from both groups. Please advise your students to apply/audition for the ensemble(s) best suited for them.
