

Bergen Band Director Workshop Band

Come once a month and play a secondary or tertiary instrument, learn some skills, some repertoire, meet some people, and have some fun!

Here's the details:

- **WHEN:** Friday, October 28th; Thursday, November 17th, Thursday December 15th. More dates to follow for the spring.
- **WHERE:** Brookside School Band Room 100 Brookside Ave. Allendale
- **WHO:** MEBCI members (you can still join!)
- **WHAT:** Come play, hear, learn, and earn PD hours! After the session, all are welcome to come to the Allendale Bar and Grill for some post-session networking.
- **WHY:** We all know that SO much of this job is learn-by-doing. And even though we took method classes in college, we've done a LOT since then, and not everything stuck!

A FEW IMPORTANT THINGS:

You can attend every month, or just one. No commitment.

You must provide your own instrument.

You must join MEBCI (you can join at the session, it's just \$10 for the year, and they are sponsoring these sessions!)
